

UNDER MY SKIN

BY JUDITH GRAVES

All her parents wanted was for Eryn to live a normal life...

Redgrave had its share of monsters before Eryn moved to town. Mauled pets, missing children. The Delacroix family is taking the blame, but Eryn knows the truth.

Something stalks the night. Wade, the police chief's son and Redgrave High's resident hottie, warns her the Delacroix are dangerous. But then so is Eryn--in fact, she's lethal.

But she can't help falling for one of the Delacroix boys, dark, brooding--human Alec. And then her world falls apart.

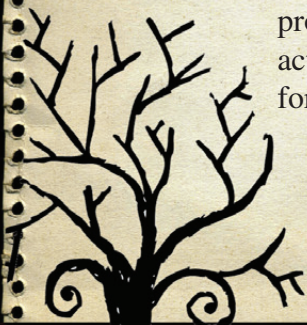

A normal life? Now that's the real fairytale.

PRAISE FOR UNDER MY SKIN

"Under My Skin is a roller-coaster romp through a supernatural world filled with scary beasties, otherworldly magic, and characters you'll root for.

Eryn is a tough but likable protagonist whose paranormal problems make a compelling story full of mystery, magic, action and romance. A fun and engaging read. I'm looking forward to the sequel."

~Rosemary Clement-Moore,
author of Prom Dates from Hell

UNDER MY SKIN

BY JUDITH GRAVES

UMS: THE LORE

In every culture there are shapeshifter myths. The *Skinned* series explores the idea of mythological creatures of different origins clashing over the last relatively uninhabited land of the Canadian North.

Eryn struggles with her inherent duality. She is both human and wolveren and yet is not fully either species. Like all of us, she has to make decisions that will affect the kind of person/creature she becomes.

DEEP THOUGHTS

You're a hunter. Werewolves and other supernatural beasts have descended upon your town. Buffy the Vampire Slayer is busy staking vamps in Summer-ville. Which fictional character would you rather have fighting by your side, Isabella Swan or Eryn McCain? Why? In *Under My Skin*, which character is more sympathetic, Alec Delacroix or Wade Gervais? Why?

ABOUT JUDITH

I love heated debates over character motives...I've been kicked out of several book clubs for just this reason. With my faithful sidekick at my feet—that'd be Willow, a yellow lab—I remain unfazed by book club drama and am furiously writing more paranormal stories. Which, hopefully, you'll read.

FUN STUFF:

1. Eryn is a huge horror movie buff. Create a collage with famous horror movies heroes and villains and quotes.
2. You are a parent of teen-aged children and you live in Redgrave. A teen curfew has just been enforced by the local authorities and city council. Write two separate letters to the editor of the Redgrave Howler, the town's weekly newspaper, one letter supporting and the other criticizing the curfew.
